

ZihCiang Residence Hall No. 1 2 3

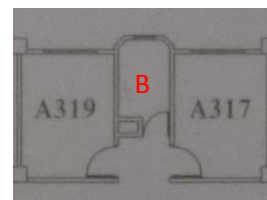

- 1 Building Number 1
- 2 Building Number 2
- 3 Building Number 3

ZihCiang Residence
Hall No. 1 2 3 has two type of room
single and double.

Both types of rooms have the same
measures: 3.86m X 2.73m

The rooms are set up in pairs with
the following combinations:

1. One single and one double room
sharing one bathroom
2. Two single rooms sharing one
bathroom

A319 room
A317 room
B bathroom

- This Residence is really convenient because has easy access to the school and to Muzha neighborhood. It also has easy access (300 meters) to convenience stores, super market, vegetable market and bus stops with routes to the main and convenient destinations.
- The Residence is also cheap. I advice you to choose single room.

Single Room

All the rooms have:
Internet connection
1 desk (Single room) 2 desks (double room)
1 Closet

Single Room

Double Room

Double Room

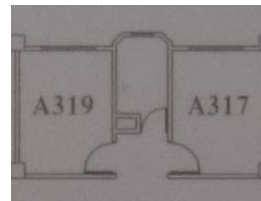

Double Room

Bathrooms

Two rooms share a bathroom.
